

**Exercise 6**

- 14** Your school recently organised a 'work experience week', when each student spent one week working in a different local business. Your teacher has asked you to write a report about the work experience week.

In your report, say what you and your classmates learned during the week, and suggest how the experience could be improved if it is repeated next year.

Here are some comments from your classmates:

*One week was too long.*

All I did was answer  
the telephone!

It gave me some ideas  
for what I could do as  
a career.

I really enjoyed working  
in a team.

**Write a report for your teacher, giving your views.**

The comments above may give you some ideas, and you can also use some ideas of your own.

**Your report should be between 100 and 150 words long.**

You will receive up to 6 marks for the content of your report, and up to 6 marks for the language used.
