**Grade thresholds** taken for Syllabus 0606 (Additional Mathematics) in the October/November 2008 examination.

|             | maximum mark available | minimum mark required for grade: |    |    |
|-------------|------------------------|----------------------------------|----|----|
|             |                        | A                                | C  | E  |
| Component 1 | 80                     | 68                               | 33 | 21 |
| Component 2 | 80                     | 71                               | 38 | 25 |

The threshold (minimum mark) for B is normally set halfway between those for Grades A and C. The threshold (minimum mark) for D is normally set halfway between those for Grades C and E. Grade A\* does not exist at the level of an individual component.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
