

SMART EXAM RESOURCES
SUBJECT: PHYSICS
TOPIC: DENSITY / MASS/ VOLUME
SET-1-QP-MS

(a) Fig. 1.1 shows a sealed weather balloon which is stationary in still air.

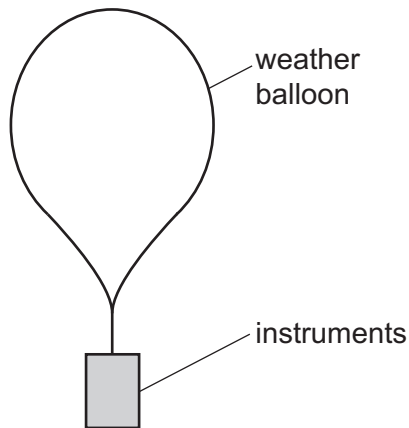

Fig. 1.1

State whether the overall density of the balloon and its instruments is greater than, less than, or the same as the density of the surrounding air.

..... [1]

MARK SCHEME:

same (as density of surrounding air)	B1
