Give two marks:

- the first mark is out of 13 for content and structure: see Table A
- the second mark is out of 12 for style and accuracy: see Table B

Remember that these marks will not necessarily match and one mark may well be (much) higher than the other.

The maximum overall mark for the Composition is 25. Write the total clearly at the end as follows: C7 + S10 = 17 (C standing for 'content and structure', S for 'style and accuracy').

## **Descriptive writing**

- 3 (a) Describe a fire from the signs of smoke to the moment when it is out of control.
  - (b) Describe nightfall as you reach camp in the middle of the jungle.

## COMPOSITION TASKS: TABLE A – CONTENT AND STRUCTURE

|                 | ARGUMENTATIVE/<br>DISCURSIVE TASK  | DESCRIPTIVE TASK  | NARRATIVE TASK   |  |
|-----------------|--|---|--|--|
| Band 1<br>11–13 | <ul> <li>Consistently well<br/>developed, logical<br/>stages in an overall, at<br/>times complex,<br/>argument.</li> <li>Each stage is linked to<br/>the preceding one, and<br/>sentences within<br/>paragraphs are soundly<br/>sequenced.</li> </ul>                                  | <ul> <li>There are many well-defined, well-developed ideas and images, describing complex atmospheres with a range of details.</li> <li>Overall structure is provided through devices such as the movements of the writer, the creation of a short time span, or the creation of atmosphere or tension. There is no confusion with writing a story. Repetition is avoided and the sequence of sentences makes the picture clear to the reader.</li> </ul> | <ul> <li>The narrative is complex<br/>and sophisticated and<br/>may contain devices<br/>such as sub-texts,<br/>flashbacks and time<br/>lapses. Cogent details<br/>are provided where<br/>necessary or<br/>appropriate.</li> <li>Different parts of the<br/>story are balanced and<br/>the climax carefully<br/>managed. Sentence<br/>sequences are<br/>sometimes arranged to<br/>produce effects such as<br/>the building up of<br/>tension or providing a<br/>sudden turn of events.</li> </ul> |  |
| Band 2<br>9–10  | <ul> <li>Each stage of the argument is defined and developed, although the explanation may not be consistent.</li> <li>The stages follow in a generally cohesive progression. Paragraphs are mostly well sequenced, although some may finish less strongly than they begin.</li> </ul> | <ul> <li>There is a good selection of interesting ideas and images, with a range of details.</li> <li>These are formed into an overall picture of some clarity, largely consistent and effective. There may be occasional repetition, and opportunities for development or the provision of detail may be missed. Sentences are often well sequenced.</li> </ul>  | <ul> <li>The writing develops<br/>some interesting<br/>features, but not<br/>consistently so. Expect<br/>the use of detail and<br/>some attention to<br/>character or setting.</li> <li>Writing is orderly and the<br/>beginning and ending<br/>are satisfactorily<br/>managed. The reader is<br/>well aware of the<br/>climax even if it is not<br/>fully effective.<br/>Sequencing of sentences<br/>provides clarity and<br/>engages the reader in<br/>events or atmosphere.</li> </ul>        |  |

| Band 3<br>7–8 | <ul> <li>There is a series of relevant points and a clear attempt is made to develop some of them. These points are relevant, straightforward and logical/coherent.</li> <li>Repetition is avoided, but the order of the stages in the overall argument can be changed without adverse effect. The sequence of the sentences within paragraphs is satisfactory, but the linking of ideas may be insecure.</li> </ul> | <ul> <li>There is a selection of relevant ideas, images, and details, which satisfactorily address the task. An attempt is made to create atmosphere.</li> <li>The description provides a series of points rather than a sense of their being combined to make an overall picture, but some ideas are developed successfully, albeit straightforwardly. Some sentences are well sequenced.</li> </ul> | <ul> <li>A straightforward story<br/>with identification of<br/>features such as<br/>character and setting.</li> <li>While opportunities for<br/>appropriate<br/>development of ideas<br/>are sometimes missed,<br/>overall structure is<br/>competent, and some<br/>features of a developed<br/>narrative are evident.<br/>Sentences are usually<br/>sequenced to narrate<br/>events clearly.</li> </ul>                                 |
|---------------|--|---|---|
| Band 4<br>5–6 | <ul> <li>Mainly relevant points<br/>are made and they are<br/>developed partially<br/>with some brief<br/>effectiveness.</li> <li>The overall argument<br/>shows signs of structure<br/>but may be sounder at<br/>the beginning than at the<br/>end, or may drift away<br/>from the topic. There<br/>may be some<br/>repetition. The<br/>sequence of sentences<br/>may be occasionally<br/>insecure.</li> </ul>      | <ul> <li>Some relevant ideas are provided and occasionally developed a little, perhaps as a narrative. There are some descriptive/ atmospheric episodes, but the use of event may overshadow them.</li> <li>There is some overall structure, but the writing may lack direction and intent. There may be interruptions in the sequence of sentences and/or some lack of clarity.</li> </ul>           | <ul> <li>Responds relevantly to<br/>the topic, but is largely a<br/>series of events with<br/>only brief details of<br/>character and setting.</li> <li>Overall structure is<br/>sound, but there are<br/>examples where<br/>particular parts are too<br/>long or short. The<br/>climax is not effectively<br/>described or prepared.<br/>Sentence sequences<br/>narrate events and<br/>occasionally contain<br/>irrelevances.</li> </ul> |

| Band 5<br>3–4 | <ul> <li>A few relevant points<br/>are made and may be<br/>expanded into<br/>paragraphs, but<br/>development is very<br/>simple and not always<br/>logical.</li> <li>There is weakness of<br/>sequencing overall and<br/>within paragraphs.<br/>Paragraphing is<br/>inconsistent. Repetition<br/>and a failure to sustain<br/>relevant argument are<br/>obvious.</li> </ul> | <ul> <li>Content is relevant but<br/>lacking in scope or<br/>variety. Opportunities to<br/>provide development and<br/>detail are frequently<br/>missed.</li> <li>The overall structure,<br/>though readily<br/>discernible, lacks form<br/>and dimension. The<br/>reliance on identifying<br/>events, objects and/or<br/>people sometimes leads<br/>to a sequence of<br/>sentences without<br/>progression.</li> </ul> | <ul> <li>A simple narrative with<br/>a beginning, middle and<br/>end; it may consist of<br/>everyday happenings or<br/>fantastic, non-engaging<br/>events. Content may<br/>seem immature.</li> <li>Unequal or<br/>inappropriate<br/>importance is given to<br/>parts of the story.<br/>Paragraphing is<br/>inconsistent. Dialogue<br/>may be used<br/>ineffectively. There is no<br/>real climax. Sentence<br/>sequences are used only<br/>to link simple series of<br/>events.</li> </ul> |  |
|---------------|---|---|--|--|
| Band 6<br>1–2 | <ul> <li>A few points are<br/>discernible but any<br/>attempt to develop them<br/>is very limited.</li> <li>Overall argument only<br/>progresses here and<br/>there and the sequence<br/>of sentences is poor.</li> </ul>   | <ul> <li>Some relevant facts are identified, but the overall picture is unclear and lacks development.</li> <li>There are examples of sequenced sentences, but there is also repetition and muddled ordering.</li> </ul>  | <ul> <li>Stories are very simple<br/>and narrate events<br/>indiscriminately.<br/>Endings are simple and<br/>lack effect.</li> <li>The shape of the<br/>narrative is unclear;<br/>some of the content has<br/>no relevance to the plot.<br/>Sequences of sentences<br/>are sometimes poor,<br/>leading to a lack of<br/>clarity.</li> </ul>  |  |
| 0             | <ul> <li>Rarely relevant, little<br/>material, and presented<br/>in a disorderly structure.<br/>Not sufficient to be<br/>placed in Band 6.</li> </ul>   | <ul> <li>Rarely relevant, little<br/>material, and presented<br/>in a disorderly structure.<br/>Not sufficient to be<br/>placed in Band 6.</li> </ul>   | <ul> <li>Rarely relevant, little<br/>material, and presented<br/>in a disorderly structure.<br/>Not sufficient to be<br/>placed in Band 6.</li> </ul>  |  |
